

**GOVERNMENT OF ANDHRA PRADESH
ABSTRACT**

Revenue (DM) Department – National Cyclone Risk Mitigation Project (NCRMP) – Delegation of powers to approve 'premium tenders' received up to 5% in first and subsequent calls for the NCRMP works costing up to Rs.2.00 crores only on par with Roads & Buildings and Irrigation & CAD Departments - Orders - Issued.

=====

Revenue (Disaster Management.III) Department

G.O. Ms. No. 10

Dated: 12.12.2012

Read the following:

1. G.O.Ms.No.57, Panchayat Raj & Rural Development (PROGS.II) Department, Dated 19.02.2008.
2. Minutes of the meeting dated 21.04.2012 of Heads of Line Departments.
3. From the Country Director, World Bank, India, New Delhi letter No. Nil dated 30.05.2012 addressed to the Vice – Chairman, NDMA, New Delhi and copy marked to Government of Andhra Pradesh.

ORDER:

In the G.O 1st read above, the Panchayat Raj & Rural Development Department issued orders allowing 5% (five per cent) only tender premium on par with TR & B Department in respect of second or subsequent tender calls in respect of tenders for the works of Panchayat Raj Department.

2. Panchayat Raj Department is executing construction of Multi Purpose Cyclone Shelters (MPCS), Roads to Cyclone Shelters (RCS), and Roads to Habitations (RHB) under National Cyclone Risk Mitigation Project (NCRMP) funded by the Government of India/Government of Andhra Pradesh/World Bank. Chief Engineer, Panchayat Raj, NCRMP is following the orders issued in the G.O.1st read above for finalization of tenders in respect of works relating to Panchayat Raj Department. As the existing powers for approval of tenders are not uniform among the Engineering Departments viz., Irrigation & CAD, Roads & Buildings and Panchayat Raj, problems were encountered during the year 2010 -2011 by the Chief Engineer of Panchayat Raj Department in evaluation and approval of tenders in the 1st call itself under Phase-I of National Cyclone Risk Mitigation Project (NCRMP). There was abnormal delay in the evaluation of bids by the Panchayat Raj Department which could have been avoided. The issue was, therefore, discussed in the meeting held on 21.04.2012 by the Commissioner for Disaster Management & Ex-Officio Principal Secretary to Government, Revenue (Disaster Management) & Project Director, NCRMP with the Heads of line departments. The Heads of Line Departments have suggested, among others, the following:-

"The Chief Engineer, Panchayat Raj (NCRMP), Engineer-in-Chief (R & B) & Engineer-in-Chief (I & CAD), Major Irrigation shall approve "Premium tenders" received up to 5% in 1st and subsequent calls for the works costing up to Rs.2.00 crores in respect of all NCRMP works."

3. Government after careful examination of the entire matter hereby order that the Chief Engineer, Panchayat Raj (NCRMP) is delegated with the powers to approve 'premium tenders' received up to 5% in first and subsequent calls for the NCRMP works costing up to Rs.2.00 crores only on par with Roads & Buildings and I & CAD Departments. The Chief Engineer, NCRMP, Panchayat Raj Department shall take immediate action in the matter accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
